

GREYSTONE PROGRAMS

October 19, 2025, | Milea Estate Vineyard

Dear Community Partner,

On behalf of Greystone Programs, Inc., I'm writing to extend an invitation to your business to join us as a featured pourer at our 33rd Annual Wine Tasting & Auction, taking place on **Sunday, October 19, 2025, at Milea Estate Vineyard in Staatsburg, NY.**

Since 1979, Greystone has been dedicated to supporting individuals living with autism and other intellectual and developmental disabilities throughout the Hudson Valley. Our annual Wine Tasting & Auction is a signature fundraising event that draws wine and spirits enthusiasts, community partners, and supporters together to help fund programs that promote inclusion, independence, and an enhanced quality of life for over 650 children and adults we serve.

We would be honored to showcase your products at this event. Participating wineries and spirit producers receive:

- Promotion on our website, social media channels, and e-blasts to over 5,000 subscribers
- Onsite recognition during the event program
- The opportunity to connect with guests who appreciate exceptional wines and spirits from the Hudson Valley and beyond

If your business is interested in pouring at the event, please feel free to reach out so we can share further details regarding logistics, space allocation, and any requirements for participation.

Thank you for considering this opportunity to partner with Greystone Programs, Inc. We would love to have you join us for this special occasion.

Warm regards,

Anquinette Hayles

Gift In-Kind & Cash Donation Form

Support Inclusion Through Wine, Art, and Community

Every ticket purchased, every bid placed, and every moment shared helps support individuals living with autism and other intellectual and developmental disabilities. Your generosity expands access to life-changing services such as Expressive Arts Therapy, where creativity fosters connection, joy, and enriched lives.

All proceeds directly benefit more than 650 individuals living with autism and other intellectual and developmental disabilities supported by Greystone Programs, Inc.
