

2025 Sponsorship Opportunities

Support Inclusion Through Wine, Art, and Community

Every ticket purchased, every bid placed, and every moment shared helps support individuals living with autism and other intellectual and developmental disabilities. Your generosity expands access to life-changing services such as Expressive Arts Therapy, where creativity fosters connection, joy, and enriched lives.

All proceeds directly benefit more than 650 individuals living with autism and other intellectual and developmental disabilities supported by Greystone Programs, Inc.
